1. Scope of Statement

This Statement sets out the course fees charged by the College. The Statement is subject to rule changes introduced by the government and funding agencies which may occur in the course of an academic year.

This statement has been drafted based on the rules set out by the Office for Students (OfS) for academic year 2025-26. These rules may be subject to change before the commencement of that academic year and therefore should not be viewed as binding.

The Statement covers fees for Higher Education programmes run by the College that do not attract public funding for fees.

It does not apply to ESFA (Education and Skills Funding Agency) programmes, commercial courses or other publicly funded projects where the criteria are set in the individual bids

1.1. Statement Rules

This Statement will be updated on an annual basis and will be re-issued before May 1st each year, unless government guidance is unavailable.

3. Course Fees and Eligibility Higher Education Students

Higher Education fees are set by the College in accordance with the national regulations for fees set by the government and monitored by OfS (the Office for Students).

No fee waivers or reductions will apply for Higher Education programmes. The College reserves the right to negotiate individual fee charges with employers for Higher Education qualifications.

Fees are charged on the basis of:

- The type and level of course the student is studying
- The amount of hours/credits that are undertaken
- The eligibility of the student for funding
- The level of public subsidy that the student attracts

3.1. Full Time HE Provision (Excluding Full Time HNC/Ds)

Full Time HE provision is regarded as the study of 120 HE credits per academic year.

For Full Time Higher Education students, a course fee will be charged at the beginning of each year of the course. This fee will include:

- Tuition Fees for all programme elements that are funded
- Registration, Examination and Assessment Fees

3.2. HNC/HND Provision (Both Part-time and Full-time programmes)

We charge a different fee for those higher education programmes awarded through Pearson. Such courses lead to the award of a Higher National Certificate (HNC) or Higher National Diploma (HND). For students studying an HNC/HND, a course fee will be

charged at the beginning of each year of the course. This fee will include:

- Tuition Fees for all programme elements that are funded
- Examination and Assessment Fees

Registration fees are set annually by Pearson, and will be charged separately

3.3. Recognition of Prior Learning (RPL) – HE programmes

Where the student is claiming RPL on the basis of previously certificated learning, the College will make a charge in recognition of the staff time required to assess the RPL claim. The volume of RPL allowed is normally restricted to 50% of the credit for the award by the UEA's Partner Institution Regulations for Bachelor and Foundation Degree awards applicable at the year of entry to CCN although exceptions can be granted to exceed 50%. Charges will be:

- For RPL within the 50% limit for the award = £50 admin fee + £25 per 10 credits of RPL being applied for.
- For RPL that exceed the 50% limit for the award = £150 admin fee + £25 per 10 credits of RPL being applied for

3.4. Recognition of Prior Experiential Learning (RPEL)

Where a student is claiming RPEL on the basis of previous experience, the College will charge in recognition of the staff time required to assess the RPEL claim. Charges will be as follows:

- £100 admin fee + £25 per 10 credits of APEL being applied for.

3.5. Higher Education students studying Equivalent or Lower-level Qualifications (ELQs)

HE students who have prior attainment at an equivalent or higher level than the undergraduate course they are proposing to study may not be eligible for a loan for fees from the Student Loan Company (SLC). Students should be advised to contact the SLC if they are in any doubt as to their eligibility.
